

## Solar powered EVIG makes debuted in Milan, Italy

**The Swedish electric vehicle manufacturer Clean Motion debuted its solar powered delivery vehicle EVIG in Milan, Italy today.**

Together with the distributor X-Raam e-mobility solutions, Clean Motion has premiered EVIG for the first time in Italy. The premiere was held at the grand opening of the first X-Raam-store, entirely dedicated to urban mobility, located in city center of Milan.

As cities look for sustainable solutions for last-mile delivery the need for vehicles made for dense areas and low speed zones are increasing. EVIG with its cutting-edge features tailored for urban environments. Its solar roof ensures extended range, reduced carbon footprint, and optimum efficiency.

Christoffer Sveder, Commercial Director at Clean Motion, "We have a very strong partnership with X-Raam that enables us to grow our full potential of EVIG all around Italy."

The Milan store is the first of its kind and the plan is to set up 50+ stores in Italy over the coming 4 years. All stores will be in central locations and have the full portfolio of vehicles including EVIG.

"The demand for electric vehicles made for urban environments is booming and we are seeing a huge potential in EVIG for last-mile delivery in all over Italy", says Alberto Fiorini, General Manger at X-Raam e-mobility solutions.
